

LISTA DI TRADUTTORI E NOTAI - LIST OF TRANSLATORS AND NOTARIES
(in ordine alfabetico - alphabetical order)

Si fa presente che le traduzioni potranno essere espletate, oltre che dai traduttori, anche dagli stessi interessati o da qualsiasi persona con ottima padronanza della lingua italiana senza avvalersi dei traduttori qui elencati. Si rammenta inoltre che non e' necessario tradurre le Apostilles. Per le procure si consiglia di rivolgersi in primis ad un legale Italiano per la loro redazione e solo successivamente al notaio Italiano per autenticare la firma degli interessati.

Il Consolato Generale non si assume alcuna responsabilit  riguardo la qualit  del lavoro e le tariffe richieste dai traduttori e dai notai favorevolmente noti che si elencano qui in ordine alfabetico.

Please note that the translations can be completed by the interested parties themselves or by any other person with excellent knowledge of the Italian language, without the use of translators listed below. Please also note that it is not necessary to translate the Apostilles. In regards to powers of attorney, we suggest to firstly have it arranged by an Italian legal expert; then have it finalized by an Italian notary for the legalization.

This Consulate General is not responsible for the quality of the work and the fees charged by the Translators and Notaries listed below.
